

GLENEAGLE GROUP

1. LOCATION

Killarney is a beautiful place to both work and live. Located in the southwest of Ireland, this picturesque town has a population of about 14,000 people. It is most famous for its national park – Killarney National Park is spread over 26,000 acres of mountains, lakes, and woodlands. It is free to enter and is enjoyed 365 days of the year by visitors and locals alike. Killarney is unique in that it offers many of the amenities of bigger towns and cities yet retains its small-town atmosphere.

2. TEAM

Teamwork is central to the ethos of The Gleneagle Group. We encourage strong teamwork across all areas of the business. We help our teams in every way we can as we understand that a happy team makes for a better work environment, and results in happy guests.

3. DIVERSITY

The Gleneagle Group welcomes guests and employees from different countries, cultures, religions, ages, gender, sexual orientation and ability.

4. TRAINING

We provide high-quality training tailored for each and every role within the group. We also provide

interdepartmental training as well as opportunities to up-skill. The experience acquired with The Gleneagle Group will enhance your skill set and career prospects. It will be recognised around the world and open many doors to new exciting opportunities.

5. EXPERIENCE

Working at the Gleneagle does not have to just be a job but can be viewed as a career. The experience you gain with us will be recognised around the world and allow for new exciting opportunities.

6. AWARD WINNING

We have accrued numerous awards over our sixty-year history. Below are our successes to date:

- We have achieved ISO standards across four areas of operation: ISO 9001 quality management system, ISO 14001 environmental management, ISO 45001 occupational health and safety, ISO 20121 sustainable events.
- We made history by becoming the first business in the world to be accredited by the European Network for Accessible Tourism (ENAT).
- Best Innovative Place to Stay – 2019
- 4 Star Accreditation
